Resolution No 4
Series 1964

It was brought to the attention of the Council that the California-Pacific Utilities Company, a corporation, in its installation of a distribution system of natural gas to the citizens of the City of Elgin at occasional times and places requires the use of private property for which easments from owners are required and it appearing that in order to furnish natural gas service to the city hall of Elgin, it is required that certain mains cross over property owned by the City in blocks 52 and 65 of HINDMAN'S ADDITION to Elgin and that crossing will not damage the property or constitute a serious encumbrance to the property. Whereupon, the following resolution was introduced, read three times, considered and adopted on a vote as follows: Jack Halsey, yes; Hazel Reed, yes; Jared Rogers, yes; Charles Whittemore, yes; Lloyd Spikes, yes.
